

MEMBERSHIP BENEFITS

According to the HSCG bylaws, member benefits are determined by the Board of Directors based on the level and/or type of membership. In that Member Benefits are likely to change over time, the definitive list of Member Benefits at any certain time is the “Member Benefits” page on the HSCG website.

It is the responsibility of the Board of Directors and the Executive Director to ensure that the Member Benefits page on the HSCG accurately reflects the current member benefits that have been determined and approved by the Board of Directors.

Where a specific member benefit requires detailed clarification or has specifications or rules associated with it, a separate policy may be authorized by the Board of Directors.
